

Thank you to The Blue Bird Circle for your unwavering support of Texas Children's.

Texas Children's Hospital Jan and Dan Duncan Neurological Research Institute announced a transformational \$10 million donation from The Blue Bird Circle in celebration of its 100th anniversary.

"The impact The Blue Bird Circle has made on neurological research is truly remarkable. All of us at Texas Children's Hospital and the Duncan NRI are so honored and grateful to have their partnership in helping change the lives of those affected by devastating neurological and neurodegenerative disorders.

Ultimately, patients and families from around the world are the beneficiaries of The Blue Bird Circle's extraordinary generosity and commitment."

-Dr. Huda Y. Zoghbi

Director, Jan and Dan Duncan Neurological Research Institute

The Blue Bird Circle is Houston's oldest organization of women who have volunteered their time and philanthropic efforts to support pediatric neurology in Houston.
